Riding Metrobus is easy with your mCard!

Our mCard is an interactive smart card that we use to handle all of our fare media, except for cash fares. The mCard is the same size as a credit card. When you board the bus, hold your mCard in front of the on-board validator to pay the fare. The validator recognizes the type of fare or pass on the card, and approves or denies the ride electronically. Because it's a smart card, you keep using the same card week after week, month after month. Value is added to the mCard by the user at any of our sales outlets or you can add value to your mCard online at metrobus.com.
